INDEPENDENT AUDITOR'S REPORT

Members of the Board of Education and
The Director of Schools
Sumner County Schools
Gallatin, Tennessee

Report on the Audit of the Financial Statements

Opinions

We have audited the financial statements of Sumner County School's Internal School Funds, which comprise the combined and individual school balance sheets – regulatory basis, as of June 30, 2024, and the related combined and individual statements of revenues, expenditures and changes in fund balances – regulatory basis for the year then ended, and the related notes to the financial statements.

Unmodified Opinion on Regulatory Basis of Accounting

In our opinion, the combined and individual financial statements referred to in the first paragraph present fairly, in all material respects, the assets, liabilities and fund balances of Sumner County School's Internal School Funds as of June 30, 2024, and the related revenue, expenditures and changes in fund balances for the year then ended, in accordance with the financial reporting provisions of the *Internal School Funds Manual* described in Note 1.

Adverse Opinion on U.S. Generally Accepted Accounting Principles

In our opinion, because of the significance of the matter discussed in the Basis for Adverse Opinion on U.S. Generally Accepted Accounting Principles section of our report, the accompanying financial statements referred to in the first paragraph do not present fairly, in accordance with accounting principles generally accepted in the United States of America, the financial position of Sumner County School's Internal School Funds as of June 30, 2024, or changes in financial position for the year then ended.

Basis for Opinions

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS) and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States (*Government Auditing Standards*). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Sumner County School's Internal School Funds, and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Basis for Adverse Opinion on U.S. Generally Accepted Accounting Principles

As described in Note 1 of the financial statements, the financial statements are prepared by Sumner County School's Internal School Funds on the basis of the financial reporting provisions of the *Internal School Funds Manual*, which is a basis of accounting other than accounting principles generally accepted in the United States of America, to meet the requirements of the State of Tennessee. The effects on the financial statements of the variances between the regulatory basis of accounting described in Note 1 and accounting principles generally accepted in the United States of America, although not reasonably determinable, are presumed to be material and pervasive.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the financial reporting provisions of the *Internal School Funds Manual*, as described in Note 1. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Eric Clements, CPA, CFE • Andy Matlock, CPA

Auditor's Responsibility for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinions. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS and Government Auditing Standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS and Government Auditing Standards, we:

- exercise professional judgment and maintain professional skepticism throughout the audit.
- identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Sumner County School's Internal School Funds' internal control. Accordingly, no such opinion is expressed.
- evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Sumner County School's Internal School Funds' ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplementary Information

Our audit was conducted for the purpose of forming opinions on the combined and individual financial statements— regulatory basis that collectively comprise Sumner County School's Internal School Funds' basic financial statements. The supplemental schedules, as listed in the table of contents, are presented for purposes of additional analysis and are not a required part of the basic financial statements – regulatory basis. As described in Note 1 of the financial statements, the supplementary information, as listed in the table of contents, is prepared by Sumner County School's Internal School Funds on the basis of the financial reporting provisions of the *Internal School Funds Manual*, which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America.

Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements – regulatory basis. The information has been subjected to the auditing procedures applied in the audit of the basic financial statements – regulatory basis and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements – regulatory basis or to the basic financial statements – regulatory basis themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the supplemental information, as listed in the table of contents, are fairly stated, in all material respects, in relation to the basic financial statements – regulatory basis as a whole.

Other Information

Management is responsible for the other information included in the annual financial report. The other information comprises the introductory section but does not include the basic financial statements – regulatory basis and our auditor's report thereon. Our opinions on the basic financial statements – regulatory basis do not cover the other information, and we do not express an opinion or any form of assurance thereon.

In connection with our audit of the basic financial statements – regulatory basis, our responsibility is to read the other information and consider whether a material inconsistency exists between the other information and the basic financial statements – regulatory basis, or the other information otherwise appears to be materially misstated. If, based on the work performed, we conclude that an uncorrected material misstatement of the other information exists, we are required to describe it in our report.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated, December 13, 2024, on our consideration of the Sumner County School's Internal School Funds internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of Sumner County School's Internal School Funds internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Sumner County School's Internal School Funds internal control over financial reporting and compliance.

A handwritten signature in blue ink that reads "Matlock Clements, P.C." The signature is written in a cursive, flowing style.

Matlock Clements, P.C.

**SUMNER COUNTY SCHOOLS – INTERNAL SCHOOL FUNDS
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED JUNE 30, 2024**

Background

Tennessee Code Annotated (TCA), Section 49-2-110, provides for internal school funds, establishes responsibility for those funds, and requires schools to adopt and follow a uniform accounting manual.

Note 1 – Summary of Significant Accounting Policies

A. Financial Reporting Entity

This report includes only the internal school funds of Sumner County School System. The internal school funds are included in the Sumner County financial report as a special revenue fund. Internal school funds consist of financial resources accounted for at the individual schools.

Internal School Funds

Internal school funds reported in the accompanying financial statements include donations and grants made to the individual schools; fees collected by schools; funds received from the local board of education; funds raised through cooperative agreements; rental fees; and student activity funds.

Student Activity Funds

Student activity funds include all money received from any source for school-sponsored student activities or school-sponsored events held at or in connection with a school, and specifically include, but are not limited to funds:

- Derived from a school-sponsored academic, art, athletic or social event involving students;
- Raised by school-sponsored clubs involving students;
- Raised by school-sponsored fundraisers involving students who are under the supervision of a school employee;
- Received from a commission for the direct sale of items to students pursuant to a cooperative agreement between the school and an outside organization;
- Received for the direct sale of items to students from a school-run bookstore located on school grounds;
- Raised from fees charged to students;
- Obtained from interest from any account that contains student activity funds;
- Obtained from any related school-sponsored activity that involves the use of school personnel, students, and property during the school day.

B. Regulatory Basis of Accounting

The accounting and financial reporting requirements for internal school funds are set forth in the *Internal School Funds Manual*, issued by the Tennessee Department of Education and the Tennessee Comptroller of the Treasury. The requirements established in the *Internal School Funds Manual* differ from generally accepted accounting principles primarily in the presentation of the financial statements and restricted fund revenue and expenditure accounting and reporting. The following is a summary of the basic requirements of this regulatory basis of accounting, which is an “other comprehensive basis of accounting”.

SUMNER COUNTY SCHOOLS – INTERNAL SCHOOL FUNDS
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED JUNE 30, 2024

Note 1 – Summary of Significant Accounting Policies – (Continued)

B. Regulatory Basis of Accounting – (Continued)

The financial statements consist of balance sheets and statements of revenues, expenditures and changes in fund balances.

The combined financial statements present all of the individual schools in a columnar format and are required to be presented before the notes to the financial statements. These statements focus on each of the individual schools rather than the funds within the schools. In keeping with that focus, the columnar headings identify the individual schools rather than the funds.

The individual school financial statements present the detailed fund activity in each school and are included after the combined financial statements and before the notes to the financial statements.

Revenues are classified by source and expenditures are classified by either function or object for the general fund but not the restricted fund. Revenues and expenditures of the restricted fund are recorded based on the specific group or activity which will benefit or expend the funds. The activity in the restricted “accounts” is presented as total revenues and transfers in and total expenditures and transfers out for each account. A corresponding “fund balance” is presented for each account. Although the restricted fund is a single fund, each account within the fund must present its portion of the restricted fund balance. Transfers reported on the financial statements represent authorized movement of funds between restricted accounts as well as between the general fund and restricted fund.

C. Measurement Focus and Basis of Accounting

The accompanying financial statements are reported using the current financial resources measurement focus. Accordingly, only current assets and current liabilities are included on the balance sheets. Internal school funds use the modified accrual basis of accounting. Under the modified accrual basis of accounting, revenues are recognized when they become both measurable and available. Management policies define available as collectible within 60 days after the fiscal year end. Expenditures are generally recognized when the related fund liability is incurred, if measurable.

D. Fund Structure

The accounts of the individual schools are organized on the basis of funds, each of which is considered to be a separate accounting entity. The operations of each fund are accounted for by providing a separate set of self-balancing accounts which are comprised of the fund’s assets, liabilities, fund equity, revenues and expenditures. The funds are grouped in the accompanying financial statements as follows:

**SUMNER COUNTY SCHOOLS – INTERNAL SCHOOL FUNDS
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED JUNE 30, 2024**

Note 1 – Summary of Significant Accounting Policies – (Continued)

D. Fund Structure – (Continued)

General Fund

The general fund is used to account for all money to be used for the general operation of the school or for the welfare of the student body. Revenues and expenditures in this fund are not restricted to any specific group or activity.

Restricted Fund

The restricted fund is used to account for money that is restricted for the use of a specific segment of the school population or legally restricted for a specific purpose and not intended to benefit the general school population.

E. Inventory

Inventories are stated at lower of cost (first-in, first-out) or market (net realizable value). The purchases method is used to account for inventories. Under the purchases method, inventories are reported as an expenditure when purchased (or when received for donated items) rather than being capitalized as an asset. However, significant amounts of inventory, if any, on hand at year-end are reported as an asset in the financial statements. The fair value of donated goods and supplies are recognized as revenues and expenditures in the financial statements. For the current year no significant amounts of such donations were received.

F. Fund Balances

Restricted Fund Balance

Fund balances reported as restricted in the accompanying financial statements are the result of externally imposed restrictions placed upon certain resources accounted for in the restricted funds. All internal school fund activity is restricted in accordance with TCA Section 49-2-110.

When both restricted and unrestricted resources are available for us, it is the school system's policy to use restricted resources first, then unrestricted resources as they are needed. The internal school funds did not report any unrestricted resources for the period.

Unassigned Fund Balance

This classification represents a deficit fund balance.

Note 2- Budgetary Information

Legally appropriated budgets have not been adopted at the individual school level. Therefore, presentation of budgetary comparison information is not required.

**SUMNER COUNTY SCHOOLS – INTERNAL SCHOOL FUNDS
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED JUNE 30, 2024**

Note 3 – Deposits

Legal Provisions

All deposits with financial institutions in excess of FDIC limits are required to be secured by one of two methods. Excess funds can be deposited with a financial institution(s) that participates in the State of Tennessee Bank Collateral Pool administered by the state treasurer. For deposits with financial institutions that do not participate in the bank collateral pool, state statutes require that all deposits be collateralized with collateral whose market value is equal to 105 percent of the uninsured amount of the deposits.

Cash Deposits

Cash in bank represents funds on deposit in various depositories.

Custodial Credit Risk

Custodial credit risk is the risk that in the event of a bank failure, the school's deposits may not be returned to it. None of the school's deposits were exposed to custodial credit risk because all balances were entirely insured by the FDIC or through the Bank Collateral Pool with the State of Tennessee.

Note 4- Accounts Payable

Accounts payable balances represent amounts due to vendors at year-end. All accounts payable balances were approved by the Board of Education.

Note 5- Transfers

Transfers completed during the fiscal year were for interfund donations and residual fund balance transfers.

Note 6- Long-Term Leases and Commitments

All long-term lease contracts that obligate a school for more than one school year are approved and accounted for by the Board of Education.

Note 7- Capital Assets

Capital assets acquired by the individual schools are recorded as expenditures at the time of purchase. Title and accountability for capital assets purchased pass automatically to the Board of Education.

Note 8- Subsequent Events

Subsequent events have been evaluated through December 13, 2024, the date which the financial statements were available to be issued.

**SUMNER COUNTY SCHOOLS – INTERNAL SCHOOL FUNDS
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED JUNE 30, 2024**

Note 9- Risk Management

The Sumner County School System internal school funds are exposed to various risks of loss related to torts, theft of, damage to, and destruction of assets; errors and omissions; and natural disasters for which Sumner County, Tennessee, carries commercial insurance. Settlements have not exceeded coverage for each of the past three fiscal years.

*Note 1 - This schedule is prepared on the modified accrual basis of accounting.

*Note 2 - The above grants are earned when cash is received and not when expenditures are made. As a result, deferred revenue is not reflected in the financial statements. However, the grant resources are restricted for art expenditures by the grant contract. Any unspent funds are reflected as restricted fund balance in the accompanying financial statements.

See Independent Auditor's Report.

INTERNAL CONTROL AND COMPLIANCE SECTION

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS*

Members of the Board of Education and
the Director of Schools
Sumner County Schools
Gallatin, Tennessee

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, the financial statements of the Internal School Funds of the Sumner County School System, Gallatin, Tennessee, which comprise the combined and individual school balance sheets- regulatory basis, as of June 30, 2024, and the related combined and individual school statements of revenues, expenditures, and changes in fund balances- regulatory basis for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated December 13, 2024. The report on Sumner County School's Internal School Funds was adverse in relation to the conformity with accounting principles generally accepted in the United States of America and was unmodified in relation to the financial statements prepared in conformity with the accounting practices prescribed by the *Internal School Funds Manual*, which is a basis of accounting other than generally accepted accounting principles in the United States of America.

Report on Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Sumner County Schools Internal School Funds' internal control over financial reporting (internal control) as a basis for designing the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the combined and individual financial statements, but not for the purpose of expressing an opinion on the effectiveness of Sumner County Schools Internal School Funds' internal control. Accordingly, we do not express an opinion on the effectiveness of the Sumner County Schools Internal School Funds' internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or, significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that have not been identified. We did identify certain deficiencies in internal control, described in the accompanying schedule of findings and responses that we consider to be significant deficiencies. The following school had a significant deficiency identified as of June 30, 2024:

Portland High (SD-2024-001)

Rucker Stewart Middle (SD-2024-001)

Station Camp Elementary (SD-2024-002)

William Burrus Elementary (SD-2024-002)

Eric Clements, CPA, CFE • Andy Matlock, CPA

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether Sumner County Schools Internal School Funds' combined and individual financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*, but another matter that is required to be reported under the Internal School Funds Manual, which is listed in the accompanying schedule of findings and responses as items SD-2024-001 and SD-2024-002.

We noted certain matters that we reported to the management of Sumner County Schools Internal School Funds, in a separate letter dated December 13, 2024.

Sumner County School's Response to Findings

Sumner County Schools Internal School Fund's responses to the findings identified in our audit are described in the accompanying Schedule of Findings and Responses. Sumner County Schools Internal School Fund's response was not subjected to the auditing procedures applied in the audit of the financial statements and, accordingly, we express no opinion on it.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with Government Auditing Standards in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

Matlock Clements, P.C.
Murfreesboro, Tennessee
December 13, 2024

**SUMNER COUNTY SCHOOLS – INTERNAL SCHOOL FUNDS
SCHEDULE OF FINDINGS AND RESPONSES
FOR THE YEAR ENDED JUNE 30, 2024**

Summary of Auditor’s Results

Financial Statements

- | | |
|---|------------|
| 1. Type of auditor’s report issued: | Unmodified |
| 2. Internal control over financial reporting | |
| a. Material weaknesses identified? | No |
| b. Significant Deficiencies identified that are not considered to be material weaknesses? | Yes |
| 3. Noncompliance material to financial statements noted? | Yes |

Financial Statement Findings – Required to be reported in Accordance With Government Auditing Standards.

Significant Deficiencies

(SD-2024-001 - Sales Tax not Paid on Resale Expenditures)

Criteria:

According to the *Tennessee Internal School Uniform Accounting Policy Manual*, Section 4; Title 8 and Section 67-6-229, *TCA*, sales tax should be paid on the purchase price of all resale items except for schoolbooks and school lunches.

Condition:

It was noted during the fieldwork that sales tax was not paid on the purchase of items for resale at Portland High and Rucker Stewart Middle.

Cause:

When sales tax is not paid to the vendor, the school is liable for use tax on the purchase price.

Effect:

It is recommended that policies and procedures be put in place to ensure that sales tax is paid on the purchase price of all resale items except for the exceptions indicated above.

Management Response:

See management’s corrective action plan.

(SD-2024-002 – Lack of Supporting Documentation)

Criteria:

According to the *Internal School Funds Manual*, Section 5; Title 3, the bookkeeper should require and obtain supporting documentation before disbursing any school money.

Condition:

It was noted during the fieldwork that adequate supporting documentation was not obtained prior to disbursing funds at Station Camp Elementary and William Burrus Elementary.

**SUMNER COUNTY SCHOOLS – INTERNAL SCHOOL FUNDS
SCHEDULE OF FINDINGS AND RESPONSES
FOR THE YEAR ENDED JUNE 30, 2024**

(SD-2024-002 - Lack of Supporting Documentation)-Continued

Cause:

When proper documentation is not obtained prior to purchasing, the potential for a breakdown in internal controls surrounding the disbursement of funds exists.

Effect:

It is recommended that policies and procedures be put in place to ensure that school funds are not disbursed until adequate supporting documentation has been obtained.

Management Response:

See management's corrective action plan.

**SUMNER COUNTY SCHOOLS – INTERNAL SCHOOL FUNDS
SCHEDULE OF PRIOR YEAR FINDINGS AND RESPONSES
FOR THE YEAR ENDED JUNE 30, 2024**

**Prior Year Financial Statement Findings – Required to be reported in Accordance
With Government Auditing Standards.**

Management's Corrective Action Plan

To: The Comptroller of the
Treasury Division of Local
Government Audit

The Sumner County Board of Education respectfully submits the following corrective action plan for the year ending June 30, 2024.

SD-2024-001 - Sales Tax not Paid on Resale Expenditures

Management accepts the recommendation.

Corrective Action Taken

The Sumner County Board of Education Internal Audit Department provides training and works directly with bookkeepers, principals, and school staff to help ensure they are aware of the requirements in the Tennessee *Internal School Funds Manual*, the Tennessee Department of Revenue, and Sumner County Board of Education policies and procedures that pertain to the payment of sales tax sales on resale expenditures.

For each school that had an identified finding, Internal Audit will provide a copy of the findings to the bookkeeper and principal and review the information with them to ensure they understand the requirements in the *Internal School Funds Manual*, Section 4; Title 8, TCA section 67-6-229, and Sumner County Board of Education policies and procedures that pertain to the payment of sales tax on items purchased for resale by the school.

Anticipated Completion Date: March 1, 2025

SD-2024-002 - Lack of Supporting Documentation

Management accepts the recommendation.

Corrective Action Taken

The Sumner County Board of Education Internal Audit Department provides training and works directly with bookkeepers, principals, and school staff to help ensure they are aware of the requirements in the Tennessee *Internal School Funds Manual*, and the Sumner County Board of Education policies and procedures that pertain to the requirements of obtaining adequate supporting documentation prior to disbursing school funds.
